1. Achieve socio-economic and cultural transformation through education
2. Provide educational avenues to needy and economically weaker classes
3. Inculcate value-based education among the youth
4. Promote education for women in rural area
5. Achieve academic excellence

In addition to the activities that the institute carries out to fulfill its mission, the following goals have been recognized to be given special attention in the perspective plan:

1. Strengthen the student support and progression system through learner centric activities
2. Widen educational areas
3. Widen eco-friendly activities by organizing various awareness program
4. Strengthen research and placement activities
5. Quest for the excellence
6. Increase the alumni interactions for exposure to creativity of students
7. Optimum use of infrastructural facilities
8. Widen the funding base
9. Enhancement of the student experience
10. Develop a Cleaner And Greener Campus

1. Strengthen the student support and progression system through learner centric activities

Inculcation of various values such as thinking abilities, experimentation, innovations, hard work, communications, and self-analysis are the main areas of learning processes. These values must be get enhance through events occurring in the class and campus by teaching learning processes is the main goal.

Action Points

- Increase the students active involvement in academic activities
- Strengthen curricular, co-curricular and extra-curricular activities

Targets

- Establish the ICT enabled competitive examination center
- Upgrade the training, placement and skill oriented coaching
- Strengthen/ increase the sport activities and health awareness among students

2. Widen Educational Areas

Janseva Foundation Loni Budruks Arts and Commerce College, Shendi was established in 2007. The institute is affiliated to the SavitribaiPhule Pune University, Pune. The aim of institute is to provide higher education to the rural masses. It explores some specialized programmes to address the needs of the local area. Today, the institution has UG courses in Arts, Science and Commerce streams

Action Points

- Initiate new academic programmes at UG level.
- Launch/ upgrade career, skill oriented and vocational courses.

Targets

- Initiate new UG programmes viz. B.Sc Mathematics, Specialize in other subjects in Arts etc.

3. Widen eco-friendly activities by organizing various awareness program

Efforts will be made to conduct the activities which will be helpful to enrich the environment. Conduction of eco-friendly activities is the necessity of the hour. The institution has always encouraged such activities.

Action Points

- Resources conservation using green audit techniques.
- Intensification/ proliferation of the use of non-renewable energy sources.

Targets

- Flourish the rain water harvesting system in the college.
- Upsurge the use of solar energy on the campus.
- Increase use of low power consuming devices like LED, Solar appliances.
- Activities to minimize vehicle pollution.

4. Quest for the excellence

Janseva Foundation Loni Budruks Arts and Commerce College, Shendi has developed notably with 450 plus student strength. The intricacy of its activities has increased considerably. The organizational load of the staff and faculty for conducting curricular, co-curricular and extracurricular activities, purchasing of items, organizing seminars, conferences and workshops as well as conduction of examinations is noteworthy. The institution will avail adequate qualified faculty and online system for the accomplishment of excellence.

Action Points

- Simplification of processes by adopting user friendly online systems.
- Continue the process of recruitment of qualified faculty in the institution.
- Conduct various training programs for faculty and students.

Targets

- Implementation of online admission system.
- Central library up gradation as a knowledge resource center.
- Recruitment of teaching and non-teaching faculty.
- Conduction of faculty development programmes.

5. Increase the alumni interactions for exposure to creativity of students

As a key stakeholder, alumni play an important role in the development of any educational institution. Effective communications and interactions with the alumni can exchange innovative ideas useful for the development of the institute. Their bright and smart achievements have been a basis of satisfaction for the institute and students. Alumni of the institution have eminently/ sufficiently contributed in the society.

Action Points

- Create a strong alumni data base to build a strong relationship with alumni.
- Enhance the interactions between alumni and management, alumni and faculty, alumni and students also for core curriculum improvement. Also, in raising funds and for availing the alumni support in the process of the students quality and better placement.
- Encompass alumni in sharing their enriched experiences.

Targets

- Arrange alumni official visit to the campus.
- Organizations of at least one alumnus meet per year.

6. Optimum use of infrastructural facilities

Effective and optimum uses of available infrastructural facilities are helpful to accelerate capabilities and skills in human resources. The institute focuses for development of these skills by providing adequate facilities. Timely need of its up gradation and reasonable efforts will be made in this direction.

Action Points

- Enhance the laboratories and knowledge resource center of the college.
- Provide adequate health and hygienic facilities for the girl students.

Targets

- Selection and purchase of quality laboratory instruments.
- Purchase of recent and novel publications in the library.
- Provide the hygienic drinking water to the students and faculty in campus.

7. Widen the Funding Base

Over the years, the institution has grown up significantly. Various activities being conducted in the institution requires a strong financial support. Growing strength of the students in the college and initiation of new courses needs an expansion of existing infrastructural facility and advancement of the equipment. In this view, the institute is and will be searching for the sources of funding from different agencies.

Action Points

- Approach to funding agencies for the development of infrastructure
- Improve financial management of the institution.
- Increase internal revenue and funding through donations.

Targets

- Proposal submission to various funding agencies
- Effective and optimum use of financial resources
- Alumni will be asked for donations.

8 Enhancement of Students Experience

The institution tracks various basic and professional courses. If the students are provided with live experience in their respective subjects, it would help them to understand the contents thoroughly. In this regard, an opportunity of getting hands on experience will be provided to the students. In addition, this approach will boost the students' confidence and it will also help them to face the new challenges of the real world with increased self-reliance.

Action Points

- Provide enriched academic and industrial experience to the students.

- Students will be given an opportunity to go for ground truth verification.
- An opportunity of getting real life experience will be provided to the students.

Targets

- Industrial and field visits will be arranged for students.
- Educational and study tours of students will be organized.
- Students will be assigned mini research projects and internship programmes.
- Faculty and students will be deputed for summer and winter training programs.
- Ask students to undertake innovative project

9. Develop A Cleaner and Greener Campus

The campus development and construction committee looks after the maintenance of this green and shriven campus. A spacious well equipped lush green campus with strong students supporting infrastructure is the most distinctive characteristics of our institution. The institute is loyal to develop a model clean and green campus.

Action Points

- Increase the student's involvement in planning and maintenance of campus.
- Monitor the superiority of campus.
- Eco friendly activities

Targets

- Tree plantation, cultivation and care campaign.
- Estate cleanliness drive.
- Setting up of CCTV for systematic vigilance.
- Minimize vehicle pollution
