On this occasion the principal of the college Dr. Vaishali Rokde expressed her thoughts. The day is celebrated to honor the contribution of India's first Union Education Minister, Maulana Abul Kalam, she said. National Education Day is celebrated on 11th November every year since 2008 to commemorate Maulana Abul Kalam Azad's birth anniversary. He served as the Education Minister of independent India from 1947 to 1958. He worked as an educationist, journalist, freedom fighter and politician. He played an important role in improving the educational structure of India. He dreamed of improving the educational conditions in the country and worked hard to achieve it. Considering the contribution of Maulana Abul Kalam Azad in the field of education, the then Ministry of Human Resource Development decided to celebrate this day as National Education Day. In 1949, he raised the issue of women's education in the Constituent Assembly. His contribution to the development of the education sector in India is certainly an inspiration to all.
