A field Visit to Avishkar Biofarm PVT Ltd. Pravaranagar

Introduction :

Janseva Foundation Loni Budruk College of Arts and Commerce, Shendi Distt. Akole District- Ahmadnagar and Visited on 12th October 2018 at AVishkar Bioform Pravaranagar. This is how organic fertilizer is made. Information was taken in this regard.

22 June 2018, an MoU was signed between Avishkar Bioform Pravaranagar and Janseva Foundation Loni Budruks College of Arts and Commerce, Shendi.

Objectives

- ❖ Mainstreaming students from tribal areas.
- ❖ To inform the students about biological fertilizers
- ❖ Social attitude of students should be developed.
- ❖ To create awareness about chemical fertilizers

Details of the Visit :

Visited the Invention Bioform project at Pravaranagar. 27 students of the college participated on this occasion. On this occasion, 2 professors of the college participated. Students learned about the program.

The project officer while guiding the students said that the use of chemical fertilizers is increasing in large scale in agriculture. It causes different diseases. If we want to save society from this, we should increase the use of organic fertilizers. Today students visited this place and got information about the activity. Enjoy this.

Principal of Janseva Foundation College said Mr. Janardan Wagh, that the students were given information about biological fertilizers at this place. Students can prepare the same activity in their own villages.

A Field Visit to Kalsubai

Introduction:

Janaseva Foundation Lonibudruk College of Arts and Commerce, Shendi Dist.Akole- District-Ahmednagar and Angholichigoli social organization on 27/10/2019 conducted a cleanliness drive at Kalsubai, the highest peak in Maharashtra. At this time, there was a large amount of garbage. Angholichigoli, a social organization, guided the students.

On 18/03/2019 an MoU has been signed between Angholi Chi Goli and Janseva Foundation Lonibudruk College of Arts and Commerce, Shendi.

Objectives

- ❖ To create environmental awareness among students.
- ❖ To emphasize the importance of cleanliness.
- ❖ To develop coaching skills and team work spirit among students.

Visit Details:

Kalsubai, the highest peak in Maharashtra, has come to a halt with the bathing pill and internal cleanliness drive. Madhav Patil, president of Angholichigoli, a social organization, said that a large number of tourists visit Kalsubai, the highest peak in Maharashtra. A large amount of garbage has accumulated in this place. The area is being cleaned under bath pill and our college. In fact, there should be no time to clean. Because the citizens here will not throw garbage in the garbage bin. A case should be registered against such a person. We should take care of our environment. Without it society cannot progress.

College Principal Prof. Janardhan Wagh said, "Angholichigoli is a social institution. This organization has done very good work in Maharashtra. This institute has entered into MoU with our college. So we can work well in this environment. People here can understand the problems step by step. Maharashtra's highest Shikhar Kalsubai College is conducting bathing pill and cleanliness campaign.

The program was moderated by Prof. Anil Dagle. Introductory National Service Scheme Program Officer Prof. Namdev Bangar. Archanabachhav thanked.

30 students of the college participated on this occasion. 3 professors of the college actively participated.
